## Caregiver Job Description Template/Brief

We are seeking a compassionate Caregiver to join our team to provide support and assistance to individuals in need. The Caregiver will help with daily activities, healthcare, and personal needs, ensuring the well-being and comfort of those in their care. The ideal candidate should possess empathy, patience, and good communication skills.

## Caregiver Job Profile

A Caregiver is responsible for aiding clients with their personal needs and daily activities. They provide emotional support and companionship to improve the client's quality of life. This role requires physical stamina, a caring nature, and the ability to handle challenging situations with empathy.

## Reports To

The Caregiver typically reports to the Care Manager or Healthcare Supervisor.

## Caregiver Responsibilities

- Assist clients with personal care tasks like bathing, grooming, and dressing.
- Monitor and report changes in client's health or behavior to the healthcare team.
- Provide companionship and emotional support to clients.
- Help with mobility and physical activities as needed.
- Prepare meals and ensure proper nutrition for clients.
- Administer prescribed medications under supervision.
- Maintain a safe and clean environment for clients.
- Document care provided and client's progress regularly.

## Caregiver Requirements & Skills

- Prior experience in caregiving or a related field.
- Strong communication and interpersonal skills.
- Ability to handle physical tasks and assist with mobility.
- Empathetic and patient nature.
- Basic knowledge of healthcare procedures and hygiene practices.
- Ability to follow care plans and instructions from healthcare professionals.
- High school diploma or equivalent.
